

Ecumenical Prayer Services

An ecumenical prayer service, offered jointly by a parish and a nearby non-Catholic church, is a good way to celebrate the Week of Prayer for Christian Unity.

There are 8 Scripture Reflections that can be found at:

English:

https://geii.org/week_of_prayer_for_christian_unity/prayer_worship/daily_scripture_and_prayer_guide.html

Spanish:

https://geii.org/week_of_prayer_for_christian_unity/prayer_worship/guia_diario_de_escritura.html

You can either do the one for the day that works, or you can just pick one of them, and then you and your ecumenical partner run a prayer service based on that one.

There is also an “Ecumenical Celebration of the Word of God” that can be found at:

English:

Spanish:

https://geii.org/week_of_prayer_for_christian_unity/prayer_worship/celebracion_ecumenica.html

This celebration would be longer than option (a) and would probably require worship aids.

For help organizing an ecumenical prayer service, please contact Nicholas Frega at Nicholas.Frega@dor.org or 585-328-3228 ext. 1287. My support can range from assistance in logistics, to reading Scripture or prayers, to speaking a little about ecumenism at the end, to simply attending, to anything else you need.
